

Seed distribution under SCSP Programme at ICAR-CAZRI-RRS-Bhuj

A seed distribution programme was conducted on 23rd October 2021 at ICAR-CAZRI, RRS-Bhuj station. Under this programme, each farmer from SC community was provided with a kitchen garden kit for sowing in the coming winter season. A total of 100 farmers actively participated the function. The programme also included discussion with SC farmers in relation to challenges and issues in farming. Farmers from more than 5 villages had received the kitchen garden kits. In coming days, more kitchen garden kits will be distributed from the station. The chairman and the member of the organizing committee were Dr. Anandkumar Naorem and Er. Abhishek Patel. Proper COVID guidelines were followed throughout the registration, document verification and distribution process.
