

EIACP-RP on Combating Desertification, ICAR- Central Arid Zone Research Institute, Jodhpur Organized World Wetlands Day on 03-02-2025.

EIACP-RP unit at ICAR-Central Arid Zone Research Institute, Jodhpur Celebrated “World Wetlands Day on theme *“Protecting wetlands for our common future”* on 03-02-2025 under the guidance of Director of CAZRI, Dr. O.P. Yadav with participation of JIET Universe, Jodhpur. EIACP Coordinator, Dr. P.C. Moharana, delivered a lecture about the importance of World Wetlands Day and explained the land use change pattern of Sambhar Lake, Ramsar site using Satellite Images from 1984-2023. Principal Scientist Dr. R.K. Goyal explained about sustainable management of wetlands and wetland conservation. Students from JIET Universe took part in speech competition and deliberated their thoughts on Wetlands conservation. Certificates and prize were distributed to participants. Vote of thanks was extended by Principal Scientist Dr. Mahesh Kumar. The students visited Agri-Eco Tourism Park at CAZRI campus. 70 Participants including Students, Faculties, Head of Divisions, Scientists, Technical Officers & EIACP Staffs actively participated in the event. Event was managed by Sh. Rajender Rajpurohit, Miss Sonali & Sh. Avinash Khatri.
