

ICAR-CAZRI Jodhpur inks MoU with Uttar Banga Krishi Vishwavidyalaya, Cooch Behar, West Bengal

ICAR-Central Arid Zone Research Institute (CAZRI) signed a memorandum of understanding (MoU) on 24th November, 2022 with Uttar Banga Krishi Vishwavidyalaya (UBKV), Cooch Behar for entering into long-term collaboration for promotion of quality postgraduate, doctoral research and training in cutting edge areas. The MoU was signed by Dr. O.P. Yadav, Director, ICAR-CAZRI, Jodhpur and Dr. Pradyut Kumar Paul, Registrar, UBKV. According to the MoU, both the parties have decided that UBKV, West Bengal will recognize expert scientists of ICAR-CAZRI to guide the students of M.Sc. and/ or Ph.D. of agriculture and allied subjects for research related to the thesis requirements and they will also act as a member of advisory committee for the said degrees.

With signing of this MoU, the knowledge created by both institutions will be shared especially in Agro-voltaic system, desertification mapping, soil and water management, precision farming and post-harvest technologies for horticultural, animal and agricultural produce. MoU will be operational for three years initially.
